SPO ALERT

Date: April 15, 2010

To: State Agency Chief Procurement Officers, Cooperative Program Membership

From: State Procurement Office

Re: Stop Work Order issued to Compel, a contractor under EPS060043 (networks); EPS070086 (Uninterrupted Power); AD020193 (Cabling) and EPS060125 (Audio/Visual)

Effective immediately and through May 31, 2010, a Stop Work Order has been issued to Compel, a contractor for the above referenced contracts. The State of Arizona has received input that raised a concern on whether Compel remains a viable contractor. SPO has contacted Compel, exercising the State's contractual Right to Assurance. If the State receives a satisfactory response, the Stop Work Order could be lifted sooner and a SPO Alert to that effect will be issued.

Inquiries regarding this notice should be directed to Maureen L. McGovern, the Procurement Officer for contracts EPS060043-12, EPS070086-03 and AD020193-18 (contact information provided below), or Stacy Ingalls, the Procurement Officer for EPS060125-17 at 602-542-9134 or by email to: stacy.ingalls@azdoa.gov.
